

7 Homemade Green Cleaners

You can make for only pennies

HOMEMADE LIQUID LAUNDRY DETERGENT

- 1/2 cup Borax
- 1/2 cup Washing Soda
- 1 Bar Ivory Soap
- 1/4 Cup Dawn Dish Liquid (secret ingredient)
- 1/2 cup Oxi booster (secret ingredient, but optional)
- Lots of water to fill large laundry detergent bottle

1. Shred 1 bar of soap.
2. Add six cups of water and shredded soap to a pot. Heat until the soap melts and dissolves in the water.
3. Next add the washing soda, Borax, Dawn Dish Liquid and Oxi booster. Mix well until dissolved. (gently stir)
4. Pour four cups hot water into the pot. Then pour the soapy mixture into the pot and mix well.
5. Add around 20 cups of warm water to fill the laundry detergent container and mix well. Let this set for 24 hours to set thoroughly. To use just pour about the same amount you normally would use when washing 1/2 cup – 1 Cup. Use the same measuring cup that came with the container.
